

Fitting Instructions

Students will sign up for a fitting appointment time during band camp. They will be able to check their appointment time on the window outside Mr. Wharton's office beginning the first day of school. All students must come during the 30-minute appointment window they signed up for.

Uniforms will be distributed the following nights:

Night 1, August 16, 2016

Night 2, August 17, 2016

Night 3, August 18, 2016

Students should sign up for an appointment time in which to be fitted for uniforms.

- This is done during band camp with seniors signing up first, followed by juniors, sophomores and freshmen. All those not attending band camp can sign up for available appointments during the first week of school.
- All students must come during the 30-minute window for which they signed up.
- Please come to uniform distribution prepared. Wear soft cotton or spandex shorts (nothing bulky!) so that you can try on your uniforms in front of lots of people without embarrassment.
 - Wear your hair as you will wear it for games, i.e. in a way that allows you to tuck it into your hat, or (French braided) into your coat. If we fit your hat with your hair down, and you try to wear it up for games, you will be in for a headache, at least.
 - BRING MONEY (checks or exact change appreciated). Returning students may also use money in their student accounts as payment. If there is a problem with funds, please talk to Miss Berry before the night on which you signed up.
 - BRING A GOOD ATTITUDE. Uniform distribution can be a trying (as well as a trying-on) process, and our many dedicated volunteers will be doing their best to equip you to look great on the field and concert stage.
- You will have several opportunities this year to earn money by participating in Student Account fundraisers.
- All students will be given a booklet listing the numbers of the garments issued to them. This booklet also contains other important information about your uniforms. Parents and students should read it carefully and keep it in a safe place for reference.
- Memorize your uniform numbers! When looking at a sea of over 300 uniforms, you will want to know which is yours!
