

Lake Brantley High School  
**Patriot Marching Band**  
**SCPS Instrument Usage**

***Summer schedule and Band Camp schedule.***

**SCPS instrument Usage.** If your student would like to use an SCPS instrument, please e-mail Mrs. King to secure an instrument ASAP. [Nancy.King@scps.k12.fl.us](mailto:Nancy.King@scps.k12.fl.us).

Send the following Information:

- Student first and last name
- Grade entering
- What instrument do you want to contract out?
- Is the instrument for concert or marching purposes?

This is especially important for incoming freshman!

There will be 2 check-out dates prior to our first summer rehearsal. Parent and student will need to come to the band room during one of the two time slots for their instruments. The instrument will be assigned, contracts must be signed by parent and student, and a \$100.00 payment *per instrument* will be made out to Lake Brantley Band Boosters (LBBB)

If everyone e-mails the above information, instruments and contracts can be pre-assigned by check out time, minimizing wait time.

***Instruments will not be loaned to students without proper paperwork and payments.***

*Please contact Mr. Wharton or Mrs. King with any confidential financial questions for the school year 2016-2017. Payment plans can be arranged if needed.*

All concert instruments may be paid for on August 1 during the Late Registration from 11:00am -1:00 pm. Students will need to secure all concert instruments prior to the first day of school.

## ***Schedule***
